# Nash Dodti
DATA ANALYST

**Portfolio Website**

## Profile

The era, culture, technology...We are always controlled by something. Those that can "break through" in life are those who create new value from what already exists universally. I feel that my skills can let us "express" according to our special values.

## Experience

**Data Analyst, Upwork**
JUNE 2021 — PRESENT

- Creating Powerful Tableau Dashboards to provide insights on Sales trends, profit trends, top customers, and top products for Clients Across the US & UK etc.
